Name of activity:- Cleanliness awareness Campaign

Date :- 02/10/2017

Venue:- Shops ,College mess and hotels nearby college campus

Time:- 4.30 PM- 6.30 PM

Activity Details:-

NSS volunteers noticed that cleanliness measures taken by shopkeepers and hotel owners nearby the college campus are very poor. Therefore, they made a survey on 25th September 2017 4.30 PM to 6.00 PM about the wastage disposal methods adopted by these shopkeepers and hotel owners including college mess. Based on this survey NSS volunteers organized a campaign to create awareness about cleanliness and hygiene especially about the waste food disposal methods on the occasion of **Gandhi Jayanati** (02/10/2017).

In this activity, various posters based on the message of recycle-reuse-reduce the waste, mission of **Clean India** etc were made to display in each shop. Volunteers had stuck these posters and explained the importance of cleanliness. The response from all the shopkeepers was very good and they have assured to follow the instructions given by volunteers. As a result most of the shopkeepers have kept their own dustbins to collect the waste near the shop. Thus, team made the day worth on occasion of Gandhi Jayanti to support the mission of **SWACCHA BHARAT ABHIYAN**. About 40 volunteers were present for this campaign.
